<b>ENTER e-Platform link</b>	<a href="https://www.enter-project.eu/">https://www.enter-project.eu/</a>						
<b>Learning outcomes</b>	<p>After the completion of the webinar, participants should be able:</p> <ol style="list-style-type: none"> <li>1. Go through the process of creating custom slicing profiles and save them for their future prints</li> <li>2. Import and manipulate a 3D model on CURA slicing program</li> <li>3. Understand how the printing quality of a 3D model is affected by important slicing parameters</li> <li>4. Export a functional G-code file, used to print a 3D model</li> </ol> <p>1. Understand the basic differences between CURA and PRUSASLICER slicing programs and decide which of the above-mentioned fits their needs best.</p>						
<b>Requirements for attending the webinars</b>	<ol style="list-style-type: none"> <li>1. Reliable internet connection (preferably a high speed one).</li> <li>2. Since most of the webinar is follow up type, it is highly suggested that you use two screens/monitors.           <ul style="list-style-type: none"> <li>• Preferred setup: 1 PC with two monitors</li> <li>• Other setups: 1 PC with one monitor and one more device connected to the Internet (e.g. laptop or tablet)</li> </ul> </li> <li>3. The slicing webinar will be thus there is no time to explain how to download and install the program mentioned. it is highly suggested that you install the CURA software before the beginning of the webinar, if you decide to follow the steps of the tutor on your PC. You can download the programs on the following websites for free.            ULTIMAKER CURA: <a href="https://ultimaker.com/software/ultimaker-cura">https://ultimaker.com/software/ultimaker-cura</a></li> <li>4. It is not suggested to use a phone for the webinar since the monitor is too small and you will have a hard time following the instruction of the tutor.</li> <li>5. If you are using a desktop PC you will need a web camera and optionally speakers, headphones, or earbuds that are compatible with your computer.</li> <li>6. Make sure that you have a mouse connected to your main screen (the one that you are going to work on) for your convenience.</li> </ol>						

<b>Instructions for participating in Webinars</b>	<ol style="list-style-type: none"> <li>1. You are kindly asked to connect 10 minutes before the starting hour of each webinar. All webinars will start exactly at the scheduled time.</li> <li>2. If you have any question you can “Raise your Hand” during the webinar. However we recommend you to allow the trainer to control the time and frequency of brakes for questions.</li> <li>3. Please be polite and cooperative with other participants, trainers, quests and moderators.</li> <li>4. You can use the chat during webinars for welcoming messages, asking questions or provide us with some information.</li> <li>5. After the completion of the each webinar you will receive a mail with an online evaluation form of the webinar.</li> <li>6. The video recording of each webinar as the material/software presented, will be uploaded at the ENTER platform.</li> </ol>
