<b>Learning outcomes</b>	After the completion of the webinar, participants should be able: <ol style="list-style-type: none"> <li>1. Model 3D objects for different uses: 3D printing, render, cinematics, video games</li> <li>2. Continue training in the world of 3D with courses and tutorials</li> <li>3. Continue to improve their knowledge of Blender and its possibilities</li> </ol>							
<b>Requirements for attending the webinars</b>	<ol style="list-style-type: none"> <li>1. You will need a device (smartphone, Tablet, laptop, desktop PC) and a reliable internet connection (preferably a high speed one).</li> <li>2. If you are using a desktop PC you will need a web camera and optionally speakers, headphones, or earbuds that are compatible with your computer.</li> <li>3. For some of the webinars (when a software or application will be presented) it will be really useful if you can use two screens/monitors. You can use a tablet or Smartphone and your laptop. Or you may connect two screens in your computer. In this matter you will be able to watch the trainer in one device (screen) and test the software in the other screen.</li> </ol>							
<b>Instructions for participating in Webinars</b>	<ol style="list-style-type: none"> <li>1. You are kindly asked to connect 10 minutes before the starting hour of each webinar. All webinars will start exactly at the scheduled time.</li> <li>2. If you have any question you can "Raise your Hand" during the webinar. However we recommend you to allow the trainer to control the time and frequency of brakes for questions.</li> <li>3. Please be polite and cooperative with other participants, trainers, quests and moderators.</li> <li>4. You can use the chat during webinars for welcoming messages, asking questions or provide us with some information.</li> <li>5. After the completion of the each webinar you will receive a mail with an online evaluation form of the webinar.</li> <li>6. The video recording of each webinar as the material/software presented, will be uploaded at the ENTER platform.</li> </ol>
